

## WHEN HISTORY FITS IN TWO WITS

WHOLE TRAGIC HISTORY OF PALESTINE, 1946-2013  
CAN FIT IN ONLY TWO CLEVER, QUOTES

Palestinian girl on the left laments:

I AM PALESTINIAN ARAB  
I WAS BORN IN JERUSALEM  
PALESTINE IS MY HOMELAND  
BUT I CANNOT RETURN THERE

Jew girl on the right admits:

I AM AN AMERICAN JEW  
I WAS BORN IN U.S.A.  
ISRAEL IS NOT MY HOMELAND  
BUT I CAN "RETURN" THERE

How history of decades lasting pogrom

of the Palestinians, can fit in two wits,  
show two my dear guests from America.  
With their performance, they give a short,  
and couldn't be clearer, lesson to the Humanity.  
To their souls, no doubt, belongs  
- symphonic music!

Unlike them, Mister Obama, "The Faultless"  
is quoted by people to have, during a reception  
- meekly pronounced: "I am in my soul Jew".  
To the said one, it's more than sure,  
belong military instruments,  
- and their hullabaloo.

Maybe just because of this, the American be allowed to  
"return" there!
