. . . THEN DEMOCRACY SLAUGHTERED SOCRATES

by his own hand!

Philosopher, however, drinks a poison, holding his own death in his hand.
More specifically, in the cup, and the cup in the same!

It only **A Cunning Mind of Democracy** could devise,
like everything else that followed in history!
People and nations will be committing/sui/cides, led by those
who their Lady-under-the mask chooses for them
on - **Democratic** - elections
that means,
by their - own
hand!

That's why this
Dedication to:
S O C R A T E S A T H E N I A N
Σωκράτης [so:kráte:s] Socrates
470/469 BC - 399 BC
son of Fenareta
on behalf of someone who is self-dubbed:

DEMOKRATIA - DEMOCRACY
KRATIA - CRACY
ATIA - RACY
IA / CY . . .
Aaaaa . . . / Yyyyy . . .!¹

The story was told a long time ago.
And later, this one too:

People initially believed in God,
or Prophet, depends how one looks at the things
Then the same authority ordered His arrest,
then the foreign Boss on the domestic throne gave to
the local people
right
or
DEMOCRATIC FREEDOM

(today they even begin to introduce penalties for those who refuse it)

to

CHOSE

between

GOD and Barabbas

and

DEMOS

that is the people

D E M O C R A T I C A L L Y

C H O S E

B A R A B B A S

Question is (more than serious, indeed destiny!):

We all know, or they tell us what happened with God
(or prophet of God, as one looks at it,
or His Son)

but still nobody either asked, let alone tried to research,
where in that mayhem about, democratic
crucifixion

The Most Holy One

gone,

or *to put it this way*

- WHAT HAD HAPPENED TO BARABBAS?

Here is the one the few whom Pilate failed to swindle
(Majority mostly yearn to be Pontius in person):

**NOAM CHOMSKY, THOUGHT CONTROL IN DEMOCRATIC
SOCIETES**

(¹Bosnian version goes here much better)

so listen and listen and listen . . .

and listen again,

and then, if you can, summarise up:

how many, ever since then, nations, and races, and civilisations,
and cultures, and religions,

and towns and villages and houses and homes and ants. . .

and kids, and kids, and kids . . .

how many, starting from that given moment in the history of mankind
crucial for today's event. . . , say, in Zimbabwe!
how many are in the name of the Saint
(today a petroleum polished)
have been
DEMOCRATICALLY
crucified (with no chance to ever rise again)
across the Planet!

P. S.

If somebody now brazenly objects that I am not a democrat
I will answer humbly:
WELL, I'M NOT!
and also that I have already been once
both, my KID and me,
crucified by communist
(today, all of them transformed into democratic)
Pilates, and Media mob
(all the same, the same, the same, meeeee!)

Because:

**NEITHER DEMOCRACY'S CRAZY TO ALLOW DIFFERENT
OPINION!**
