

IVI ANDRIC

1.

"Čovjek se ne bi trebao bojati ljudi.

Ja se ne bojim ljudi,

već onog što je neljudsko u njima".

2.

"Kad bi ljudi znali kako mal mozak vlada svijetom,

umri bi od straha."

1.

**"One shouldn't be afraid of the humans.**

**Well, I am not afraid of the humans,  
but of what is inhuman in them."**

2.

**"If people would know how little brain is ruling the world,  
they would die of fear."**
